

Leading Quality Improvement in Lambeth

Marcella McHugh: Head of EYFS and Childcare
ECERS Network meeting: 1st December 2014
Karibu Centre Lambeth

Lambeth

Strategic aims

- Improve quality
- More good and outstanding provision for two-year-olds
- Build sector capacity to reflect and drive their own improvement

Achievements so far

- Shared Observation training for advisers
- Nine Lambeth moderators
- Working together
- Solid base for the ERS project

Engaging the sector

- Planning workshop with sector reps
- Information leaflet sent to all providers
- Launch at provider forums in October
- Regular updates to sector reps
- ITERS and FCCERS self evaluation training

....and taking a co-production approach

- Steering Group to lead ERS Project
- Invitation sent to all childcare providers
- Private, voluntary and maintained sector
- Other stakeholders

Evaluation

- A local evaluation framework
- Recording and reporting observations
- The journey for individual settings
- ERS project evaluation and impact
- Feedback into service development
- Measure impact of other projects

Where next?

- Practitioner awareness and engagement
- Set up Steering Group
- Learn from your experience

Discussion

What is your experience of :

- Raising quality at scale?
- Use of rating scales with childminders?
- Evaluation?
- Recording electronically?
